## WHY REVEAL?

A Different Approach, Using a New Method of Manufacturing.

Sales@revealatelier.com

# ATELIER

Sales@revealatelier.com

We work with the **highest quality** fabrics, selecting supplies of superior quality and esteemed status in the market.

As a workshop we have the possibility of **delivering excellence** in service and adjusting to the needs of our clients while respecting timelines and sustainability.

By working in a personalized way with each of our clients, we deliver patterns, designs, arts and textile concepts based on **the latest market trends**.

**We are a creative textile  
ATELIER**

We are your growth ally in the international clothing industry

**Variety in customization of prototypes -  
Production of small and large quantities -**

# SERVICES

**We are the ideal ally to build, create and develop your brand.**  
Within our services, we offer a wide variety of packages and designs.

## **CUSTOM DESIGN\_**

Sample Development and production of small and large quantities

## **BASICS STOCK DESIGN\_**

Products for wholesale include pre-designed garments available for purchase or customization through processes such as embroidery, digital or screen prints, rhinestones, or laundry services.

## **FULL PERSONALIZATION\_**

The 360 program caters to creatives seeking concept, design, creation, mold, pattern services, and more, offering expert guidance in each phase of developing a brand collection or garments.
